Authentication (eKYC)

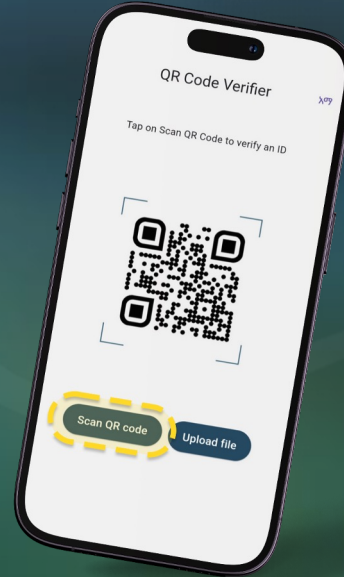

Online Authentication

The screenshot shows the National ID login interface. At the top is the National ID logo and the text 'National ID' with its Sinhala equivalent 'ජාතික හැඳුනුම්පත්'. Below this is a 'Go to Home' link. The main section is labeled 'PIN - Payda Card Number / PIN - Payda Identification Number:' and contains a text input field with the placeholder 'XXXX-XXXX-XXXX-XXXX'. A 'Login' button is positioned below the input field.

Offline Authentication

Technology

In-house technical

capability

Local engineers and engineering teams providing solutions

SI for Cloud

Software development has been decoupled from Cloud (on prem cloud) provider

Future-proofing

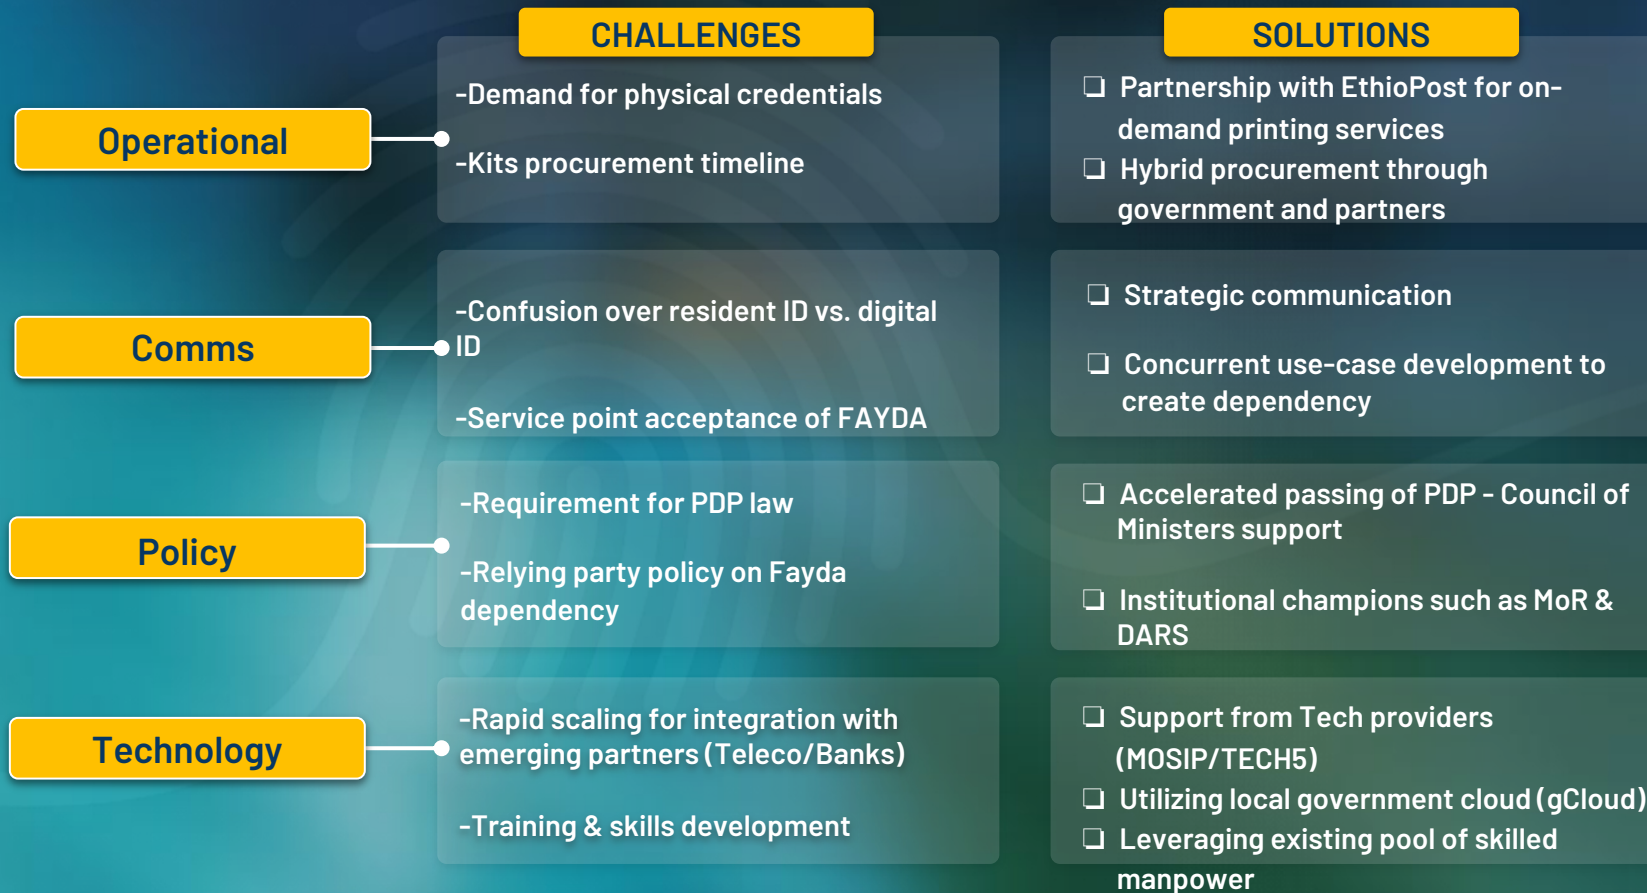

AI and other emerging tech fundamentally changes how we do ID.
FaydaTech Strategy takes this into account.

Security & Privacy

Strong in-house Cybersecurity Team and support from national SOC

Challenges & Lessons Learned

Thank You!
